Your submission will be reviewed by the SV Pay It Forward board; not all submissions are guaranteed to be fulfilled but we will do our Best.

We will focus heavily on those affected by the flood & by Covid this year.

By completing this you are allowing this information to be shared with others requesting to assist families during the holidays. We many times are asked by members of the community who or where they can help during the holidays; this will allow us to share your story to allow many more to assist. It is your choice to share information on this form – as much or as little as you want. We ask that you supply at least contact phone # to set up delivery of items – you can choose to meet at a public location for delivery or have items delivered to your home.

Questions for Giving or Receiving can be directed to Ronda Henderson at (989) 482-8999 or email
